Re: 2007 Recycling Data Form for Plymouth Township

Dear «Prefix» «LastName»: (if, then)

Pennsylvania Act 101 and Plymouth Township Ordinances require that all commercial facilities including «OrganizationName» recycle office paper, corrugated cardboard, aluminum cans, and yard waste. You are also required to report your 2007 recycling results on the data collection form.

**If «OrganizationName» has a recycling program, please complete the form and respond as soon as possible with your 2007 data.**

- If a hauler picks up your recycling, please write in the name of the hauling company on the form.
- If you recycle cardboard, office paper or aluminum through a broker or sell it directly to a market, please write the name and contact information for the company that receives your recyclables.
- If you are a small business and use a drop-off facility to remain in compliance, list the name and location of the drop-off for each material that you recycle.

**If you do not have a recycling program, contact your trash hauler to identify a way to comply with state and local recycling regulations to avoid possible fines or for a list of drop-off locations go to:**

[http://www.dep.state.pa.us/wm\\_apps/RecyclingLocations/](http://www.dep.state.pa.us/wm_apps/RecyclingLocations/)

Your 2007 recycling data is very important to Plymouth Township which receives State grants based on commercial recycling performance.

Thanks for your cooperation. If you have any questions, please call me at 610-992-9990.

Sincerely,

*Thomas C. Hough*
