

# **Plymouth Township Environmental Advisory Board**

## **Meeting Minutes**

### **July 17, 2018**

In attendance: Kevin, Bill, David, Mike, MikeC, Rick

#### 1. REVIEW/APPROVAL OF MINUTES FOR JUNE MEETING

Minutes were not yet available and will be submitted for review and approval subsequently.

#### 2. ACKNOWLEDGEMENT OF GUESTS AND VISITORS

There were no visitors or guests this month.

#### 3. NEW BUSINESS

Open House for the comprehensive plan is on Wed December 5 from 5-8pm. We asked whether there would be a sustainability chapter or interwoven and she hasn't decided yet. We pushed that we need to include storm water management in the Comprehensive Plan.

Rick said if we can write-up the sustainability pledge for review by Council so it can be published on the Township web page. The board members will review the sustainability pledge by this Friday. Mike made a motion to send this to council and MIkeC seconded. Dave will write the motion for the council to publish the sustainability pledge on the web site, in the fall newsletter and in the Green email. Jeff drafted a list of a set of 8 sustainability principles/categories which we would want incorporated into the comprehensive plan.

Bill indicated that the final draft is underway for the Bike Montco 2040 plan which is developed by the Montgomery County Planners. Rick will confirm that the township and the Plymouth Comprehensive Plan team is connected with the Bike Montco 2040 plan.

#### 4. MISCELLANEOUS

Mike spoke to the Covanta people and they would like to give us a tour of the plant with the plant manager and the environmental compliance manager. It would need to be during the day—maybe early or late.

We are on recess in August and will reconvene in September.

#### 5. ADJOURNMENT

Jeff made a motion to adjourn and MikeP seconded.
