NOTICE OF MEETING CANCELLATION: PLYMOUTH TOWNSHIP ZONING HEARING BOARD

Please be advised that the meeting of the **Plymouth Township Zoning Hearing Board** originally scheduled for **Thursday, September 17, 2026, at 7:00 PM regarding a Special Exception for 900 CONSHOHOCKEN L.L.C** has been **canceled in its entirety**.

Due to an administrative oversight, the meeting agenda was not publicly posted within the mandatory 24-hour window required by the Pennsylvania Sunshine Act. Out of an abundance of caution, a commitment to legal compliance, and respect for public transparency, the board will not convene at the originally scheduled date and time.

The Township understands that our community members rearrange their busy personal and professional schedules to attend these meetings. We sincerely apologize for the inconvenience and frustration this sudden cancellation causes.

At the same time, we believe the public deserves a process that is 100% transparent and legally sound. Proceeding with a late agenda isn't fair to the community and risks making the entire hearing invalid. We want to ensure any testimony provided is legally protected and officially on the record.

- **Rescheduling Information:** This hearing will be rescheduled for a future date. A new public notice and a compliant meeting agenda will be posted at least 24 hours in advance of the new date.
- **Questions:** For any inquiries, please contact Kevin Kochanski, Director of Planning and Zoning via email at: **KKochanski@Plymouthtownship.org**

We apologize for any inconvenience this postponement may cause to community members who planned to attend.
