

**GREATER PLYMOUTH COMMUNITY CENTER
BASKETBALL LEAGUE
RULES & REGULATIONS**

Waivers and Code of Conduct Forms: **All players must sign the "Code of Conduct" form before playing.** No player will be permitted to play in this league without fully understanding the purpose of this league and the conduct expected of its participants. This form needs to be handed in before the first game is played.

Playing Rules: Play will be in accordance with the PIAA Basketball Rules with the following additions and emphasis:

- ❖ DISORDERLY CONDUCT BY PROGRAM PARTICIPANTS OR THEIR FANS WILL NOT BE TOLERATED. EXCESSIVE LANGUAGE, VERBAL ASSAULT ON OFFICIALS, AND ALL OTHER DISRUPTIVE BEHAVIOR WILL RESULT IN EXPULSION FROM THE LEAGUE. (See Code of Conduct Sheet for further clarification.)
- ❖ There will be two 20-minute halves. Clock will stop only for time outs and injuries, **except for the last minute of the game the clock will stop for fouls, out of bounds, time outs, injuries, etc.**
- ❖ Players are allowed six personal fouls per game.
- ❖ Each team will be given two full time-outs and one 20 second time-out per half.
- ❖ Each overtime is 2 minutes with **no** time-out (Last minute in overtime will also stop for everything).
- ❖ Substitutions **must** notify score/timekeeper. The score/timekeeper will blow the whistle during a dead ball to announce substitution to refs. Subs should stand off to the side of the score table so that the ref knows you'll be coming in.
- ❖ Players are not allowed to talk to the scorekeeper/time keeper except to announce they are substituting into the game. Technical fouls will be given if players disrupt them.
- ❖ On screens and picks, a player must go around it; running through a pick is a foul.
- ❖ **This is a NO dunking league. Any dunking, the attempt to dunk or hanging on the rim or net will result in a technical foul.**

Player Information/Eligibility

- Twelve players may be listed on the roster as eligible players.
- A player is eligible if they have read the rules and signed the Code of Conduct form. *Player(s) can be added to the roster up to the 3rd week of the season.* (Not the team's third game).
- Five players will constitute a team. However, teams will be allowed to begin and play with a minimum of 4 players. If a team fails to have four players within 10 minutes from the starting time then the game is forfeited. If you know that you do not have enough players please call the league coordinator at (610) 277-4312 and let them know your team will be forfeiting that game.

- If a team has to start a game with only four players and during the game one of those players are either injured or ejected, the game can continue unless the team with three players forfeits the rest of the game (forfeiting team losses no matter what the score is at that point). Play may not continue with less than 3 players - forfeit will be declared.
- Only those 18 years of age and older and have graduated from high school are eligible to participate in the 18 and over adult league. A driver's license may be required to verify age.
- No person can play for more than one team in the league. Also, if you are listed on a team roster and play one or more games with that team, you may not leave that team and play for another team in that season.
- Spitting on the floor or walls is prohibited. There is a place for that purpose next to the water fountains. If staff sees you or you are seen on the surveillance camera, you will be asked to leave the building for that day. If this behavior continues further action will be taken.

Forfeits

- Team captains are responsible for calling the league coordinator at the GPCC if your team plans to forfeit. We will make every attempt to notify the other team's captain of the forfeited game. Calling in the forfeit is a courtesy to the other team, refs and scorekeeper.

Miscellaneous

- NO REFUNDS WILL BE GRANTED ONCE THE SCHEDULE IS POSTED.
- Team captains are responsible for informing their teammates about the game times, changes in schedules, notices, cancellations, rules and regulations of the league, etc.
- Team captains need to give **daytime** and evening **phone numbers** so that we can contact you in case of a forfeit or last minute change. Or, have a second person as the contact person.
- Depending on the number of teams in the league, each team may play some teams two times in the season. Each team is guaranteed to play at least eight games.
- Team Names: when choosing a name for your team please remember this is a family oriented community center. The GPCC reserves the right to ask you to change your team name if it has a derogatory connotation. Those teams with sponsors usually use their sponsor's name.
- Snow and/or weather cancellations are **not** called to you. On questionable days, you need to call the Community Center at (610) 277 – 4312. We suggest that the captain call us and have the team members call the captain or set up a chain for calls.

No ripping or cutting the shirt down the sides or chest. And no shirts cut so that the belly is showing. You will have until the second week in the season to get matching shirts with numbers for everyone who plays. If not, then they will not be able to play that night.
- **Children:** due to their short attention span, we ask that all children sit next to parents and be under supervision at all times. This would help prevent any accident or interference with the games. If the only parent attending is playing, that parent is responsible to have a friend in charge of his/her children during the game. Please keep children off the track that encircles the courts.
- **Alcohol & Drug Policy:** Per Plymouth Township ordinance, no alcohol or drug use will be tolerated in the GPCC or its property. No player shall appear on the court under the influence of alcohol or drugs in such a manner as to not have control of his/her faculties to the extent that there is a chance of physical injury to him/her or others (police will be involved). Minimum penalty, ejection from the GPCC and/or suspension from team's next scheduled game.
- **Missing Items:** The GPCC assumes no responsibility for lost or stolen property. If something is missing, check with the front desk lost and found. Valuable items should be left home or locked up.
