WHEREAS, the Plymouth Township Council (the "Council") has determined to incur non-electoral indebtedness and issue Bonds (as defined herein) in accordance with the Debt Act, the proceeds of which shall be used for the purpose of providing funds to (1) renovate the Township's municipal and public works buildings, including, but not limited to, installing new roofing, waterproofing the basement of the municipal building, installing new HVAC, plumbing, lighting and electrical services, removing and abating asbestos, and constructing renovations to incorporate ADA accessibility; and (2) pay the costs and expenses of issuing the Bonds, as hereinafter defined (collectively, the "Project"); and

WHEREAS, the Council has determined that it is in the best interest of the Township to sell the Bonds through a private negotiated sale, and to establish certain parameters under which it will accept a proposal for the purchase of the Bonds; and

WHEREAS, the Township has received an acceptable proposal for the purchase of the Bonds from Janney Montgomery Scott (the "Purchaser" or "Bond Purchaser") and desires to authorize the acceptance of such proposal (the "Bond Purchase Agreement") and the issuance of the Bonds for the purposes set forth herein, upon the terms and conditions within, and subject to the parameters set forth herein; and

WHEREAS, the Township desires to authorize the issuance of one or more series of its General Obligation Bonds, Series of 2022, in the aggregate principal amount of up to \$13,000,000 for the purposes set forth herein, on a tax-exempt basis, upon the terms and conditions and in the form as herein provided (the "Bonds"), and to authorize the acceptance of the proposal for the purchase of the Bonds.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the Township as follows:

SECTION 1. Establishment of Parameters for Bonds. The Township hereby establishes that the issuance of the Bonds authorized hereunder shall be subject to the Bonds satisfying the following parameters: (a) the Bonds shall not exceed \$13,000,000 in aggregate principal amount (net of original issue discount); (b) the Bonds shall not mature later than the dates set forth on Schedule "A" attached hereto and made part hereof; (c) the purchase price for the Bonds shall not be less than 95% or more than 125% of par of the Bonds; (d) the Underwriter's discount shall not exceed \$8.00 per \$1,000 of Bonds; and (e) the maximum principal amounts and the maximum interest rates shall not exceed those stated on Schedule "A". The Township hereby acknowledges receipt of the Bond Purchase Agreement from the Purchaser, pursuant to which the Township

agrees to sell the Bonds to the Purchaser satisfying the conditions and parameters set forth therein as shall be confirmed as set forth below. A copy of the Bond Purchase Agreement shall be delivered to the Secretary of the Township and shall be affixed to and shall become part of this Ordinance. The Bond Purchase Agreement is hereby approved and accepted and the Chair and Secretary of the Council or the Vice Chair or Assistant Secretary, in the absence of the Chair or Secretary, respectively, or any duly appointed successors, as the case may be, are hereby authorized and directed to execute the Bond Purchase Agreement on behalf of the Township in accordance therewith, and deliver a copy of the executed Bond Purchase Agreement to the appropriate parties. Upon determination by the Chair or Vice Chair of the Township that the Addendum to the Bond Purchase Agreement (as defined below) submitted to the Township by the Purchaser meets the parameters set forth above, and that the timing of the proposed closing is appropriate, the Chair and Secretary of the Council or the Vice Chair or Assistant Secretary, in the absence of the Chair or Secretary, respectively, or any duly appointed successors, as the case may be, are hereby authorized to accept and execute on behalf of the Township an Addendum to the Bond Purchase Agreement (as hereinafter defined) for each series of Bonds in accordance therewith, and deliver a copy of the same to the Secretary of the Council pursuant to the procedure set forth below.

The Township's Council is hereby authorized and directed to review and approve the final terms of the Bonds presented by the Purchaser including, without limitation, the final interest rates, initial offering prices and yields and any other appropriate terms and conditions applicable to the Bonds, and to determine if such terms are within the parameters established hereunder. Upon presentation by the Purchaser of the final terms of the Bonds in satisfaction of the conditions and parameters set forth in the Bond Purchase Agreement and this Ordinance, the Chair and Secretary of the Council or the Vice Chair or Assistant Secretary, in the absence of the Chair or Secretary, respectively, or any duly appointed successors, as the case may be, are hereby authorized and directed to confirm in writing that such conditions and parameters have been satisfied, to accept the final terms of the Bonds, to execute and deliver an addendum to the Bond Purchase Agreement for each series of Bonds issued pursuant to this Ordinance (each, an "Addendum to the Bond Purchase Agreement") setting forth the final terms of the Bonds and to authorize the release of the Bonds upon settlement.

SECTION 2. Authorization of Issuance of Bonds and Approval of Project. The Township hereby approves the Project described in the recitals hereto and authorizes the incurring of indebtedness pursuant to the Debt Act by the issuance of the Bonds in the maximum aggregate principal amount of up to \$13,000,000, in one or more series, for the purpose of providing funds for and toward the costs of the Project, including the financing of expenses associated therewith. The Project is being undertaken by the Township for the purpose of providing funds to (1) renovate the Township's municipal and public works buildings, including, but not limited to, installing new roofing, waterproofing the basement of the municipal building, installing new HVAC, plumbing, lighting and electrical services, removing and abating asbestos, and constructing renovations to incorporate ADA accessibility; and (2) pay the costs and expenses of issuing the Bonds.

SECTION 3. Useful Life/Realistic Cost Estimates. It is hereby determined and declared that: (i) the components of the Project have varying useful lives that, for purposes of the Debt Act, are all within a range of five (5) years to thirty (30) years; and (ii) the Township has obtained

realistic estimates of the costs of the Project through bid prices or estimates from persons qualified by experience to provide such estimates. It is hereby certified that an aggregate principal amount of the respective series of Bonds shall mature prior to the end of the useful life of each respective component of the Project.

SECTION 4. Non-Electoral Debt. All of the debt to be incurred upon issuance of the Bonds shall be incurred as non-electoral debt.

SECTION 5. Execution of Debt Statement and Bonds and Filing of Debt Proceedings. The Chair and Secretary of the Council or the Vice Chair and Assistant Secretary, in the absence of the Chair or Secretary, respectively, or any duly appointed successors, as the case may be, are hereby directed to prepare and certify and to file the debt statement required by Section 8110 of the Debt Act, to execute and deliver the Bonds, and to prepare and certify all filings required pursuant to Section 8111 of the Debt Act, pertaining to the submission to the Pennsylvania Department of Community and Economic Development (the "Department"), of the transcript of the proceedings, which shall include certified copies of the Ordinance, proofs of proper publication, the accepted proposal for the purchase of the Bonds and such other documents as may be necessary in connection with the same, and to take all such further action and to execute and deliver such other documents as may be necessary or appropriate to comply with all requirements of the Debt Act or to carry out the intent and purposes of this Ordinance.

SECTION 6. Terms and Form of Bonds. The Bonds when issued shall be general obligation bonds issued in fully registered form, in denominations of Five Thousand Dollars (\$5,000), or in any integral multiple thereof, shall be payable at the place and in the manner, and shall be substantially in the form attached hereto as Schedule "B". The Bonds shall be dated the date of issuance (the "Issuance Date"), shall bear interest from the Issuance Date at rates per annum not to exceed the rates per annum, and mature on the dates set forth in Schedule "A" and as established in accordance with and within the parameters established hereunder. The Bonds shall be numbered as issued without regard to denomination or maturity.

SECTION 7. Appointment of Paying Agent and Sinking Fund Depository. Manufacturers and Traders Trust Company or a corporate affiliate thereof, Buffalo, New York, is hereby appointed to serve as paying agent, bond registrar, and sinking fund depository (the "Paying Agent") for the Bonds. The Chair and Secretary of the Council or the Vice Chair and Assistant Secretary, respectively, or any duly appointed successors, as the case may be, are directed to contract with the Paying Agent to obtain its services in the aforementioned capacities. The Township shall cause to be kept, and the Paying Agent is hereby directed to keep, at the designated corporate trust offices of the Paying Agent, books for the registration, exchange and transfer of Bonds in the manner provided herein and therein so long as Bonds shall remain outstanding. The Paying Agent is hereby directed to make such registrations, exchanges and transfers without charge to bondholders, except for actual costs, including postage, insurance and any taxes or other governmental charges required to be paid with respect to the same.

SECTION 8. Establishment of Sinking Fund. The Township hereby establishes with the Paying Agent a sinking fund (the "Sinking Fund") for the payment of the Bonds. The Treasurer of the Township shall pay the amounts required for payment of the Bonds into the Sinking Fund,

which shall be maintained until such Bonds are paid in full. Sums sufficient to meet the requirements of the semi-annual interest payments and scheduled maturities of the Bonds shall be deposited into the Sinking Fund no later than the date when interest or principal is to become due on the Bonds. The funds in the Sinking Fund shall be subject to withdrawal by the Paying Agent only to pay the principal and interest on the Bonds as the same becomes due and payable in accordance with the terms thereof. The Township hereby covenants that such monies, to the extent required, will be applicable to such purpose. The principal of and interest on the Bonds shall be payable in lawful money of the United States of America at the designated corporate trust offices of the Paying Agent. Provided however, that if more than one series of Bonds is issued, a separate Sinking Fund shall be established for each series.

SECTION 9. Covenant to Pay Bonds. The Township covenants that, to the fullest extent authorized under law:

- a. The amount of the debt service with respect to the Bonds payable in each fiscal year shall be included in the Township budget for that year;
- b. The Township shall appropriate such amounts from its general revenues necessary for the payment of such debt service;
- c. It shall duly and punctually pay, or cause to be paid from the Sinking Fund or any other of its revenues or funds, the principal of and interest due upon the Bonds, to the extent of its obligations, on the dates, at the places and in the manner stated in the Bonds, according to the true intent and meaning thereof; and
- d. For such payment, budgeting and appropriation of the Township herewith irrevocably pledges its full faith, credit and taxing power.

The covenants contained in this Section shall be specifically enforceable.

SECTION 10. Sale of Bonds. In compliance with Section 8161 of the Debt Act and after due consideration, the Council hereby determines that a private sale by negotiation is in the best financial interest of the Township. The Bonds shall be sold at private sale by negotiation upon receipt of an acceptable proposal for the purchase thereof from the Purchaser in the form of the Bond Purchase Agreement, which shall be in compliance with the provisions of the Debt Act.

SECTION 11. Acceptance of Proposal for Purchase of Bonds. The Township hereby acknowledges receipt of a proposal from the Purchaser in the form of the Bond Purchase Agreement, which has been delivered to the Secretary of the Township and shall be affixed to and shall become part of this Ordinance. The Township hereby finds the Bond Purchase Agreement to be in conformity with the requirements of the Debt Act and of this Ordinance, and is hereby authorized to accept the Bond Purchase Agreement and upon receipt of the Addendum to the Bond Purchase Agreement pursuant to Section 1 of this Ordinance is further authorized to sell the Bonds to the Purchaser as provided in the Bond Purchase Agreement and the Addendum to the Bond Purchase Agreement. The officers of the Township are hereby authorized to deliver the Bonds to the Purchaser upon receipt of the principal amount thereof and upon compliance with all of the

conditions precedent to such delivery required by the Debt Act, the Ordinance, the Bond Purchase Agreement and the Addendum to the Bond Purchase Agreement.

SECTION 12. Execution, Authentication and Delivery of Bonds. The Bonds, when issued, shall be executed either manually or by facsimile by the Chair or Vice Chair of the Council and shall have the corporate seal or facsimile thereof of the Township affixed thereto and be duly attested by the manual or facsimile signature of the Secretary or Assistant Secretary (or any acting Secretary or Assistant Secretary appointed for such purpose) of the Council. The Bonds shall be authenticated by the manual signature of the Paying Agent. The Chair or Vice Chair and Secretary (or any acting Secretary or Assistant Secretary appointed for such purpose) are authorized and directed to deliver the Bonds, but only after the Department has certified its approval pursuant to Section 8204 of the Debt Act, and to execute and deliver such other documents and to take such other action as may be necessary or appropriate in order to effectuate the issuance, sale and delivery of the Bonds, all in accordance with the Debt Act, this Ordinance, the Bond Purchase Agreement and the Addendum to the Bond Purchase Agreement.

SECTION 13. Appointment of Securities Depository. The Bonds shall be issued in book-entry form only, and one bond shall be registered for each maturity in the name of Cede & Co., as nominee for the Depository Trust Company, New York, New York (“DTC”), which shall act as securities depository for the Bonds on behalf of the firms which participate in the DTC book-entry system (“DTC Participants”). Each bond will be in the aggregate principal amount of such maturity as established in accordance with the final terms of the Bonds within the parameters set forth herein. The Township shall cause the Bonds to be delivered to DTC for the benefit of the Bond Purchaser on or before the date of issuance of the Bonds.

Pursuant to the book-entry only system, any person for whom a DTC Participant acquires an interest in the Bonds (the “Beneficial Owner”) will not receive certificated Bonds and will not be the registered owner thereof. Ownership interest in the Bonds may be purchased by or through DTC Participants. Each DTC Participant will receive a credit balance in the records of DTC in the amount of such DTC Participant’s in the Bonds, which will be confirmed in accordance with DTC’s standard procedures. Receipt by the Beneficial Owners (through any DTC Participant) of timely payment of principal, premium, if any, and interest on the Bonds, is subject to DTC making such payment to DTC Participants and such DTC Participants making payment to Beneficial Owners. Neither the Township nor the Paying Agent will have any direct responsibility or obligation to such DTC Participants or the persons for whom they act as nominees for any failure of DTC to act or make any payment with respect to the Bonds.

The Township is authorized to execute such documents as may be necessary or desirable in connection with DTC’s services as securities depository. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the Township and discharging its responsibilities with respect thereto under applicable law. Under such circumstances, the Township officials then holding the offices set forth in Section 12 of this Ordinance are hereby authorized to designate a successor securities depository or to deliver certificates to the Beneficial Owners of the Bonds.

SECTION 14. Redemption Provisions. Specific redemption provisions, including mandatory redemption provisions, if any, will be as set forth in the Bond Purchase Agreement or the Addendum to the Bond Purchase Agreement, and as further set forth in the Bonds.

The Paying Agent shall give notice of any such redemption by first class mail, postage prepaid, mailed not less than thirty (30) nor more than forty five (45) days prior to the redemption date to each registered owner of the Bonds to be redeemed at its registered address as it appears on the bond register maintained by the Paying Agent, or such other notice of redemption as deemed appropriate. Such notice having been mailed and funds sufficient for redemption having been deposited with the Paying Agent, the Bonds so called for redemption shall become due and payable on the date fixed for redemption and interest thereafter shall cease to accrue thereon, whether such Bonds shall be presented for payment or not.

SECTION 15. Limitation on Indebtedness. It is declared that the debt to be incurred hereby, together with any other indebtedness of the Township, is not in excess of any limitation imposed by the Debt Act upon the incurring of debt by the Township.

SECTION 16. Federal Tax Covenants. The Township hereby covenants with the holders from time to time of the Bonds that it will at all times do and perform all actions and things within its power which are necessary or desirable in order to assure that interest paid on the Bonds will, for purposes of federal income taxation, be and remain excludable from the gross income of the recipients thereof and that it will refrain from doing or performing any act or thing that would cause such interest not to be so excludable and to otherwise comply with the requirements of Sections 103 and 141 through 150 of the Code. The Township further covenants with the holders from time to time of the Bonds that it will make no investment or other use of the proceeds of the Bonds, which, if such investment or use had been reasonably expected on the date of issuance of the Bonds would cause the Bonds to be “arbitrage bond(s)” within the meaning of Section 148 of the Code, and the regulations applicable thereto and that this covenant shall extend throughout the term of the Bonds and shall apply to all amounts which are proceeds of the Bonds for purposes of said section and regulations. Neither the Treasurer nor any other official or agent of the Township shall make any investment inconsistent with the foregoing covenant. The Treasurer and all other Township officials responsible for investment shall request and follow, if given, the advice or direction of bond counsel for the Township (the “Bond Counsel”) as to investments, which may be made in compliance with this covenant. The appropriate officers of the Township are hereby authorized to execute a federal tax certificate (the “Federal Tax Certificate”) to carry out the foregoing covenants.

The Federal Tax Certificate shall be substantially in the form acceptable to Bond Counsel, with such changes as may be approved by the officer executing the Federal Tax Certificate, upon the advice of Bond Counsel, such approval to be conclusively evidenced by such officer’s execution of the Federal Tax Certificate. If required under the Federal Tax Certificate, there shall be established a “bond rebate fund,” which shall be held and maintained by the Township in accordance with the Federal Tax Certificate, separate and apart from other funds of the Township. The foregoing tax covenants in this Section 16 may be excused or modified if, and to the extent that, the Township receives an opinion of nationally recognized bond counsel that such absence of

compliance will not adversely affect the exemption from federal income taxation of interest on the Bonds.

For purposes of this Ordinance and the undertaking of the Project, the Township reasonably expects that the Bonds will be designated by the Township, or will be deemed designated under Section 265(b)(3)(D)(ii), as “qualified tax-exempt obligations” within the meaning of Section 265(b)(3) of the Code. The Township has not issued, and does not reasonably anticipate issuing, tax-exempt obligations which, when combined with the Bonds, will result in more than \$10,000,000 of tax-exempt obligations being issued in 2022. For purposes only of the foregoing sentence, the term “tax-exempt obligation” shall include any “qualified 501(c)(3) bond,” as defined in Code Section 145, but shall not include any other “private activity bond,” as defined in Code Section 141(a), any obligation which would be an “industrial development bond” or a “private loan bond,” as defined in Sections 103(b)(2) and 103(o)(2)(a) of the Internal Revenue Code of 1954, as amended, but for the fact that it is issued pursuant to Sections 1312, 1313, 1316(g) or 1317 of the Tax Reform Act of 1986, or any obligation issued to currently refund any obligation to the extent the amount thereof does not exceed the outstanding amount of the refunded obligation. The Township hereby authorizes the proper officers of the Township to execute a certificate to that effect at the time of the issuance of the Bonds.

SECTION 17. Covenant to Provide Continuing Disclosure. The Township is hereby authorized and directed to execute and deliver to the Bond Purchaser a continuing disclosure certificate or agreement (the “Continuing Disclosure Agreement”), pursuant to which the Township shall covenant with the holders from time to time of the Bonds, in accordance with Rule 15c2-12 of the Securities and Exchange Commission (“Rule 15c2-12”), to provide to the Municipal Securities Rulemaking Board’s Electronic Municipal Market Access (“EMMA”) system or such depository specified pursuant to Rule 15c2-12, on an annual basis, certain financial and other information concerning the Township and notices, from time to time as applicable, of certain specified events as required to be disclosed by Rule 15c2-12, and as set forth in the Continuing Disclosure Agreement. The Chair, Vice Chair and other proper officers of the Township are hereby authorized to execute and deliver the Continuing Disclosure Agreement containing such provisions as are deemed necessary or appropriate by Bond Counsel and as are approved by such officers of the Township executing the same.

SECTION 18. Approval of Official Statement. The appropriate officers of the Township authorized by this Ordinance to accept the final terms of the Bonds are hereby authorized to approve a Preliminary Official Statement together with any necessary supplements or amendments thereto (collectively, the “Preliminary Official Statement”) for the Bonds in the form to be prepared in connection with the public offering and sale of the Bonds by the Bond Purchaser, and such Preliminary Official Statement as so approved shall be “deemed final” by the Township as of its date for purposes of Rule 15c2-12. A final Official Statement together with any necessary supplements and amendments thereto (collectively, the “Official Statement”) setting forth the final terms of the Bonds within the parameters established hereunder as accepted by the Township, substantially in the form of the Preliminary Official Statement approved by the appropriate officers of the Township in accordance with the foregoing provisions with such additions and other changes, if any, as may be approved by the appropriate officers of the Township with the advice of the Township Solicitor and containing the final terms of the Bonds, shall be prepared and

delivered to the Bond Purchaser within seven (7) business days from the date of the Addendum to the Bond Purchase Agreement, and the Township hereby approves the use thereof in connection with the public offering and the sale of the Bonds.

SECTION 19. Bond Insurance. If the Bond Purchase Agreement or an Addendum to the Bond Purchase Agreement so provide, and lower interest costs would thereby be available to the Township, the officers of the Township are hereby authorized to purchase a policy of insurance guaranteeing the payment of the principal of and interest on all or a portion of the Bonds, to pay the premium for such policy from the proceeds of the Bonds and to execute such documents as may be necessary to effect the issuance of such policy. If applicable, the Bonds issued under this Ordinance may include a statement of the terms of such insurance policy and the Authentication Certificate of the Paying Agent appearing on each Bond may include a statement confirming that the original or a copy of the insurance policy is on file with the Paying Agent.

SECTION 20. Application of Bond Proceeds. The purchase price of the Bonds and any accrued interest payable by the Bond Purchaser shall be paid to the Paying Agent on behalf of the Township. In addition, the Township shall deposit with the Paying Agent any bid security and make such additional deposits of cash from the funds of the Township as shall be necessary to cover all of the issuance costs of the Bonds. Upon receipt of such funds, the Paying Agent shall deposit the same in a settlement account. From the settlement account, the Paying Agent shall make the deposits and disbursements set forth on the Closing Statement executed by the officers of the Township, for the payment on behalf of the Township of the costs of the issuance and sale of the Bonds, upon presentation of proper invoices therefor, and shall deposit the remaining proceeds of the Bonds in a segregated Project Fund which shall be established by the Township, and applied toward the acquisition of the capital assets contemplated by this Ordinance and the payment of other appropriate costs of the Project.

SECTION 21. Reimbursement. The Township hereby declares its official intent that it may reimburse itself from proceeds of the Bonds for part or all of (a) those costs of the Project which have been paid by the Township during the sixty (60) day period ending on the date of this Ordinance and (b) such other costs of the Project which have been paid by the Township prior to the date of this Ordinance and which may properly be reimbursed from proceeds of the Bonds pursuant to Treasury Regulation 1.150-2.

SECTION 22. Officers Authorized to Act. For purposes of expediting the closing and the issuance and delivery of the Bonds, or in the event that the Chair of the Council or the Secretary of the Council shall be absent or otherwise unavailable for the purpose of executing the documents, or for the purpose of taking any other action which they or either of them may be authorized to take pursuant to this Resolution, the Vice Chair of the Council or the Assistant Secretary, respectively, are hereby authorized and directed to execute documents, or otherwise to act on behalf of the Township in their stead.

SECTION 23. Further Actions. The Chair and Secretary of the Council or the Vice Chair and Assistant Secretary, in the absence of the Chair or Secretary, respectively, or any duly appointed successors, as the case may be, are hereby authorized to execute any agreements, instruments or documents and to do or cause to be done any and all acts and things deemed

necessary or appropriate for the carrying out of the purposes of this Ordinance and to comply with the Debt Act.

SECTION 24. Act Applicable to Bonds. This Ordinance is adopted pursuant to, and the Bonds issued hereunder shall be subject to, the provisions of the Debt Act and all the mandatory provisions thereof shall apply hereunder whether or not explicitly stated herein.

SECTION 25. Contract with Bond Owners. This Ordinance constitutes a contract with the registered owners of the Bonds outstanding hereunder and shall be enforceable in accordance with the provisions of the laws of the Commonwealth of Pennsylvania.

SECTION 26. Appointment of Financial Team. The Township hereby appoints the following for the issuance of the Bonds: PFM Financial Advisors LLC, as Financial Advisor; Janney Montgomery Scott, as Underwriter; and Obermayer Rebmann Maxwell & Hoppel LLP as Bond Counsel.

SECTION 28. Severability. In the event any provision, section, sentence, clause or part of this Ordinance shall be held to be invalid, such invalidity shall not affect or impair any remaining provision, section, sentence, clause or part of this Ordinance, it being the intent of the Township that such remainder shall be and shall remain in full force and effect.

SECTION 29. Repealer. All prior ordinances or parts thereof inconsistent herewith are hereby repealed.

SECTION 30. Effective Date. This Ordinance shall take effect on the earliest date permitted by the Debt Act.

OPTIONAL REDEMPTION

The Bonds stated to mature on or after [] are subject to redemption prior to maturity at the option of the Township in any order of maturities either as a whole, or in part, at any time on or after [], and, if in part, by lot within a maturity, at a redemption price equal to 100% of the principal amount thereof, together with accrued interest to date fixed for redemption.

MANDATORY REDEMPTION

The Bonds maturing on [] of the years 20[] and 20[] (the "Term Bonds") are subject to mandatory redemption prior to maturity, in part, by lot from monies to be deposited in the sinking fund created under the Ordinance at a redemption price of 100% of the principal amount thereof plus accrued interest to the redemption date. The Township covenants that it will or will cause the Paying Agent to select by lot, give notice of redemption, and redeem Term Bonds at said redemption price in the principal amount, as outlined in the Ordinance, on [] of the following years in the following amounts:

Bonds stated to mature [] 1, 20 []

NOTICE OF REDEMPTION

Notice of any redemption shall be given by depositing a copy of the redemption notice by first class mail, postage prepaid, not less than thirty (30) days nor more than forty-five (45) days prior to the date fixed for redemption addressed to each of the registered owners of Bonds to be redeemed, in whole or in part, at the addresses shown on the registration books maintained by the Paying Agent. Such notice shall be given in the name of the Township, shall identify the Bonds to be redeemed (and, in the case of a partial redemption of any Bonds, the respective principal amount thereof to be redeemed), shall specify the redemption date and the redemption price, and shall state that on the redemption date the Bonds called for redemption will be payable at the designated corporate trust office of the Paying Agent and that from the date of redemption interest will cease to accrue. The Paying Agent shall use "CUSIP" numbers (if then generally in use) in notices of redemption as a convenience to Bond owners, provided that any such notice shall state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of redemption and that reliance may be placed only on the identification numbers prefixed "R-" printed on the Bonds. Failure to give such notice by mailing, or any defect therein or in the mailing thereof, shall not affect the validity of any proceeding for redemption of other Bonds called for redemption as to which proper notice has been given.

With respect to any optional redemption of Bonds, if at the time of mailing such notice of redemption, the Township shall not have deposited with the Paying Agent moneys sufficient to redeem all the Bonds called for redemption, such notice may state that it is conditional, that is, subject to the deposit of the redemption moneys with the Paying Agent not later than the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

On the date designated for redemption, notice having been provided as aforesaid, and money for payment of the principal and accrued interest being held by the Paying Agent, interest on the Bonds or portions thereof so called for redemption shall cease to accrue and such Bonds or portions thereof shall cease to be entitled to any benefit or security under the Ordinance and registered owners of such Bonds or portions thereof so called for redemption shall have no rights with respect to such Bonds, except to receive payment of the principal of and accrued interest on such Bonds to the date fixed for redemption.

If a Bond is of a denomination larger than \$5,000, a portion of such Bond may be redeemed. For the purposes of redemption, a Bond shall be treated as representing that number of Bonds which is obtained by dividing the principal amount thereof by \$5,000, each \$5,000 portion of such Bond being subject to redemption. In the case of partial redemption of a Bond, payment of the redemption price shall be made only upon surrender of such Bond in exchange for Bonds of the same maturity and in authorized denominations in aggregate principal amount equal to the unredeemed portion of the principal amount thereof.

If the redemption date for any Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the Commonwealth of Pennsylvania are authorized by law or executive order to close, then the date for payment of the principal, if any, and interest upon such redemption shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a

day on which such banking institutions are authorized to close, and payment on such date shall have the same force and effect as if made on the nominal date of redemption.

If the Township deposits with the Paying Agent funds sufficient to pay the principal or redemption price of any Bonds becoming due at maturity, by call for redemption or otherwise, together with interest accrued to the due date, interest on such Bonds will cease to accrue on the due date, and thereafter the holders shall have no rights with respect thereto, except to receive payment of principal to be redeemed and accrued interest thereon to the date fixed for redemption.

This Bond is registered as to both principal and interest on the registration books to be kept for that purpose at the principal office of the Paying Agent, and both principal and interest shall be payable only to the registered owner hereof. This Bond is transferable or exchangeable by the registered owner thereof upon surrender of the Bonds to the Paying Agent, at its principal corporate trust office, accompanied by a written instrument or instruments in form, with instructions, and with guaranty of signature satisfactory to the Paying Agent, duly executed by the registered owner of such Bond in the registration books, or his/her attorney-in-fact or legal representative. The Paying Agent shall enter any transfer of ownership of Bonds in the registration books and shall authenticate and deliver in the name of the transferee or transferees a new fully registered bond or bonds of authorized denominations of the same series, maturity and interest rate for its aggregate principal amount which the registered owner is entitled to receive at the earliest practicable time. The Township and the Paying Agent shall not be required to issue, or register the transfer or exchange of any Bond: (a) during the period beginning at the opening of business on any Record Date for interest payments and ending at the close of business on such interest payment date; (b) during the beginning of the opening of business on the fifteenth (15th) business day next preceding any date of selection of Bonds to be redeemed and ending at the close of business on the day on which the applicable notice of redemption is mailed; (c) during the period beginning at the opening of business on the first business day next succeeding the business day the Paying Agent determines the registered owners of the Bonds to receive notice of any special record date and the close of business on the special record date; or (d) after it has been selected or called for redemption, in whole or in part. Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations of the same series, maturity and interest rate. The Township and Paying Agent may deem and treat the registered owner of this Bond as the absolute owner hereof for all purposes, whether or not this Bond shall be overdue, and shall not be affected by any notice to the contrary.

This Bond is not valid unless the Paying Agent Authentication Certificate endorsed hereon is duly executed.

The Township, pursuant to recommendations made by the Committee on Uniform Security Identification Procedures, has caused CUSIP numbers to be printed on the Bonds, and has directed the Paying Agent to use such numbers in notices of redemption and other notices, if any, as a convenience to bondholders. No representation is made as to the accuracy of such numbers either as printed on the Bonds or as contained in any notice and reliance may be placed only on the identification number printed hereon.

No recourse shall be had for the payment of principal of, or interest on this Bond, or for any claim based hereon or on the Ordinance against any director, officer, or employee, past, present, or future, of the Township or any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, and all such liability of such directors, officers or employees is released as a condition of and as consideration for the issuance of this Bond.

It is hereby certified that the approval of the Department of Community and Economic Development of the Commonwealth of Pennsylvania for the Township to issue and deliver this Bond has been duly given pursuant to the Act; that all acts, conditions and things required by the laws of the Commonwealth of Pennsylvania to exist, to have happened or to have been performed precedent to or in the issuance of this Bond or in the creation of the debt of which this Bond is evidence, exist, have happened and have been performed in regular and due form and manner as required by law; that this Bond, together with all other indebtedness of the Township, is within every debt and other limit prescribed by the Constitution and the statutes of the Commonwealth of Pennsylvania; and that the Township has established with the Paying Agent as Sinking Fund Depository a sinking fund for the Bonds and shall deposit therein amounts sufficient to pay the principal of and interest on the Bonds as the same shall become due and payable.

This Bond is hereby declared to be a general obligation of the Township. The Township, in the Ordinance authorizing the issuance of the series of Bonds of which this Bond is one, has covenanted with the holders from time to time, of the Bonds of said series that, to the fullest extent authorized by law, the Township will include the amount of the debt service charges on the same for each fiscal year in which such sums are payable, in its budget for that year, that it will appropriate such amount from its general revenues necessary for the payment of such debt service, and will duly and punctually pay or cause to be paid from the Sinking Fund or any other of its revenues or funds, the principal of and interest due upon every Bond, at the dates and places and in the manner stated in the Bonds, according to the true intent and meaning thereof, and for such budgeting, appropriation and payment, the Township has irrevocably pledged its full faith, credit and taxing power. This covenant is specifically enforceable.
