

LEISURE POOL OPEN RECREATION POLICIES & FAMILY AREAS

Family Reservations for open swim are available for Monday, Feb 15th at 12:00pm, 2:00pm, & 4:00pm. Each reservation is for one and a half hours and there are five reservations available for each time slot. Each reservation is for one household/family up to five (5) and all must live in the same residence. At least one parent or guardian must have a valid GPCC membership.

Reservations can be made on our website through Sign-up Genius: www.plymouthcommunitycenter.org

Before Your Visit:

- Each Household/Family will be assigned a marked area on the deck (See diagram above). This will be their designated area to ensure proper social distancing and keep their belongings. Patrons from the same Household/Family are not expected to practice social distancing with each other.
- Patrons may bring their own chairs. We will not provide any benches or chairs for open swim.
- Parents are always responsible for the actions of their children. Parents must be active managers of their children and ensure they understand the new guidelines.

Entering, Exiting and Moving around the Aquatics Center:

- Please arrive on time and check in at the front desk
- Enter the Aquatics Center through the Locker Rooms
- When moving around the pool deck follow the green arrows on the ground & walls (The arrows are in a clockwise direction so it is easy to remember!)
- When you leave, follow the arrows to the exit through the locker rooms or double doors next to the pool office.
- Please exit the pool area immediately after your reservation. Staff needs time to clean and disinfect.

Important Safety Rules and Regulations:

- Parents and Chaperones of children, not lifeguards and staff, are responsible for ensuring their children social distance while at the facility.
- Face masks must be worn when not in the water.
- Maintain the CDC recommended social distance of 6 feet from others at all times (Including Lifeguards)
- Please use the deck shower to rinse prior to pool use.
- We cannot lend out any equipment and this includes life vests. Patrons with weak or non-swimmers are required to bring their own US Coast Guard approved life vests. All weak or non-swimmers must wear a life vest and must be accompanied by a responsible adult or guardian at all times.
