

Plymouth2040 Community Vision Statement

With historic roots as an early agricultural and industrial center in Montgomery County, Plymouth Township has grown to be a family-oriented and welcoming community with an established network of parks and trails, excellent schools, and quality municipal services. Located at the intersection of multiple major highways, Plymouth has developed a strong commercial tax base and diverse employment opportunities, while remaining a desirable place to live with individual neighborhoods that evoke a “hometown-feel”.

Plymouth envisions a vibrant future for the Township that builds upon its strength as the crossroads of Montgomery County and prominence as a retail shopping destination and important economic center. With a continued focus on the community’s shared values and strengths, the Township will be able to enjoy its heritage while advancing towards the future.

In 2040, Plymouth will continue to be...

A safe, family-oriented, multi-generational, and inclusive community that provides affordable quality housing opportunities for people of all ages and abilities.

In 2040, Plymouth will continue to be...

A community that is highly-accessible by all modes of transportation with a focus on safe and convenient connections between the Township's residential neighborhoods, shopping and employment centers, parks and open spaces, and schools via a network of sidewalks, interconnected trails, quality transit facilities, and well-maintained roads.

In 2040, Plymouth will continue to be...

A destination that provides walkable, modern, and mixed use commercial centers that offer quality shopping, dining, and entertainment for all who live in or visit the Township.

In 2040, Plymouth will continue to be...

A community that values and actively promotes walking, biking, and recreation through the Township's established parks and trail system. An exemplary community center and an abundance of open space allow residents and visitors to enjoy a diverse range of recreation and leisure activities.

In 2040, Plymouth will continue to be...

A progressive, sustainable community that is successful in its endeavors to protect local waterways, mitigate the effects of climate change, and encourage green building practices.
