

## Camp GPCC- Pick Up Pass

As an ongoing effort to ensure camper safety we are issuing Pick-Up Passes to all parents. This pass will serve as a security measure during camper pick-up for the entire summer.

- Please keep this card in the front left side of your vehicle's windshield if you are using curbside pick-up.
- If you pick up your camper early please bring the pass with you into the building.
- When pick-up is in the classroom or held inside due to weather you must bring the pick-up pass in with you.
- If someone other than yourself will be picking your camper up you will need to make sure you give them the pick-up pass.
- Anyone listed on the registration form will be able to pick your child up as long as they have the proper ID.
- In the event the card is not present, the person picking up your camper must go to the front desk and we will make a phone call to the parent/guardian. If this occurs the person picking up the camper will be required to show ID.
- If you lose your pick-up pass or would like another pass for another car please contact Barb or Joanna.
- Please bear with us and our summer staff. We greatly appreciate your patience and understanding.
