In Summer Drama Camp, children make new friends, build listening and ensemble skills, take on leadership roles, and explore their creativity. The plan will be for a performance with a live audience, if an in-person audience is not considered, families will be sent a link to watch from off-site, and they will be sent a recording of the showcase. ## Important Learn to Swim Information – Read Before Registering

Please take your time to read and understand these policies before registering for our Swim Lesson program. This will help make your experience safe, productive and fun!

We want your child to get the most out of their lesson. Therefore, it is incredibly important they are comfortable enough to get in the water with an instructor, can leave their parent willingly, and are able to follow directions. If they cannot, please sign-up for Aqua Explorers where a guardian accompanies the child in the water.

### **Swim Lessons & Illness**

- Stay at home if your child has diarrhea, is vomiting, has a fever, has a cold or is diagnosed with COVID-19 or another infectious illness.
- Children with allergies or other minor illnesses are permitted to swim so long as they feel well enough to do so. Still, try to minimize their physical interactions with other kids and pool equipment.

### **Make-up Lessons**

- We DO NOT offer make-up lessons for missed classes. Sessions are only 4-weeks long, we kindly ask that you keep this in mind before registering.

### **Refunds**

- If a program is canceled by PTPR due to low enrollment a full refund will be issued.
- Participants can request a refund in writing no less than 10 days prior to the start date. To request a refund for a Group Swim Lesson, send an email to [aquatic@plymouthtownship.org](mailto:aquatic@plymouthtownship.org) with the enrollee's name, class, and program number. Refunds may take up to 4 weeks to process.
- Program fees less than \$20 will automatically be credited to your PTPR account.
- There are no refunds for Private Swim Lessons.

### **Before the Swim Lesson**

- Mothers, please take your daughters to the women's locker room and fathers, please take your sons to the men's locker room. This will help cut down on the crowding in the family locker room.
- Parents with children of the opposite gender must use the family locker room, regardless of age.
- Please shower before entering the water.
- Swim lesson participants should use the bathroom before the lesson.
- All children who are not potty-trained are required to wear swim diapers.
- Swim lesson participants should not eat before their lessons.

### **During the Swim Lesson**

- Parents are not allowed at poolside during swim lessons, especially lessons taking place in the leisure pool. You may wait up in the bleachers or in the lobby. We do invite you to the pool deck for the final lesson of the session to see how far your child has progressed.
- Parents may not leave the building during swim lessons.
- Please tie back all long hair or put it in a swim cap for swim lessons.
