Usage & Rental Policies

Pavilions are available for reservation on a first-come/first-served basis.

Rental use is scheduled from April 1 to October 31.

1. Reservations for group use are made through the Plymouth Township Department of Parks and Recreation office. You may fill out an application in person or you may make your reservation online.
2. Your receipt of payment acts as your permit for use of the pavilion. Please make sure you bring it with you when you are using the pavilion. You may be asked to show it.
3. The time frame listed on your application must include set-up and clean-up time. Please do not arrive prior to the time reserved. It is equally important that your group has cleaned up and is ready to leave by the ending time noted. The park is open from 10:00 am to dusk
4. Please remember to be courteous as groups may be renting the pavilion during time slots before and after you. In addition, the remaining facilities in the park will most likely be scheduled simultaneously for other groups.
5. Access to the Community Center building is not included in any pavilion rented at the Community Center Park. However, restroom access is included with your rental. You are responsible for your parties' treatment of both the pavilion and restroom facilities. With the exception of the Community Center, the restrooms must be locked upon group departure. A key must be obtained on the weekday prior to your rental and returned within two business days.
6. During your rental, you are entitled to exclusive use of a pavilion. Should other facilities be available (i.e. tennis courts, ball fields), you may share the use with other park patrons. Permits have been distributed to other groups and individuals (and recreation programs) to use the fields and other facilities. The remaining park facilities will always remain open to the general public.
7. **TRASH:** You must provide your own trash bags and take all trash with you when you leave.
8. **GRILLS:** You may bring your own grill. However, it may not be placed under the pavilion. You may not drive to the pavilion to drop the grill off. It must be walked from the parking lot to the pavilion.
