   Overview
   Training Summary
This will be the final Annual report submitted by me. After having, the honor of serving as the Chief of Police of one of the finest departments in the State since 2008 and working as a police officer for 40 years. First with Washington DC Metro Police and 32 years here at Plymouth Township, I will be retiring in June. It has been my honor and pleasure to work with such fine officers including administrative and police dispatch staff and to have served this community I truly will miss it.

Submitting these reports is not required but as my predecessor before me, I think it is important for Council as well as the citizens of the Township to see what the police department does. It shows our strengths, weaknesses are identified and adjustments are made accordingly. Understand that the report only shows reports written, cases assigned, arrest made, accidents written and traffic citations issued. It does not show the everyday activity of the police department. The Township has grown in population and business size in my over ten years as chief. The police activity of the department has grown with the township while maintaining the same number of personnel. Our Officers continue to receive additional training in order to maintain the professionalism required in today’s police departments. I am proud to report that the department has received many more compliments then complainants’.

I would like to thank Council and Township Manager Karen Weiss for the support given to the police department and me over the past ten plus years.

Joseph F. Lawrence

Chief of Police
Plymouth Township Police Department
Annual Report Overview

In 2018, two Divisions of the Department underwent various personnel changes. In the Patrol Division, Sergeant Michael Haig retired after serving the Police Department for 30 years. Officer David Kirchenbauer resigned from his position in the Patrol Division and Officer Jeffrey McMahon was hired after serving with the Philadelphia Police Department. Officers Shaun Kozak and Gerry DeSantis transferred from Patrol to the Highway Patrol Unit. Officer Eric Ponzek transferred from the Patrol Division to the Detective Division to perform duties as a Detective.

The Township saw significant increases in weapon offenses, domestic assault offenses and rape offenses; fifty-seven percent (57%), fifty-five percent (55%), and fifty percent (50%) respectively. Conversely, there were decreases in robbery offenses and sex offenses other than rape; fifty-three percent (53%) and forty-seven percent (47%). Notable cases cleared in 2018 include the arrest of two (2) subjects responsible for five (5) residential and three (3) commercial burglaries, the arrest of an investment broker who defrauded a Township resident for over one hundred thousand dollars ($100,000.00) and the arrest of a subject under the Brad Fox Law who made a straw purchase of a gun.

The Department once again remained proactive with training our Police Officers. All members of the Patrol Division received reality based training for Active Shooters. This training combined role players and the use of simmunitions in a school based setting. This valuable training allowed all stake holders to be prepared in the event of an active threat. Officers also received specialized training for law enforcement in Autism through the Ruttenberg Autism Center. Finally, the entire Department received training on Cultural Awareness and Diversity to remain sensitive to all members of our community.

In 2018, the Police Department obtained $32,400.00 in grant monies. The specific grants included the Pennsylvania Liquor Control Board Grant ($20,000.00), Pennsylvania Aggressive Driving Grant Wave 1 ($1,050.00), Pennsylvania Aggressive Driving Grant Wave 2 ($2,500.00), Pennsylvania Aggressive Driving Grant Wave 3 ($2,700.00), Buckle Up PA Teen Safety Grant ($1,400.00), Buckle Up PA Thanksgiving CIOT ($1,950.00) and Buckle Up PA May/June COIT ($2,800.00).

The Police Department, as in years past, continues to provide the best possible service to all members of our community. We pledge to maintain a safe and harmonious community for all.
## Departmental Personnel Information
### As of 12/31/2018

### Police Personnel
- Chief of Police: 1
- Deputy Chief: 1
- Lieutenants: 2
- Patrol Sergeants: 3

* Large increase in Sexual Offenses due to changes to the mandatory reporting requirements issued by the State.
Plymouth Township Police Department
Patrol Division

The Patrol Division of the Plymouth Township Police Department is widely considered to be the back bone of the entire Department. It is comprised of four individual patrol squads, providing twenty four hour coverage of the Township—every day, without exception. Because the Patrol Officer is usually the first and oftentimes only contact the public has with the police, they are the Department’s ambassadors to the community.

In 2018, the Patrol Division of the Plymouth Township Police Department had significant changes to its rank and file. First and foremost, Sergeant Michael Haig retired from the Plymouth Township Police Department in June. Sergeant Haig retired after 30 years of service. During his career, Sergeant Haig held supervisory positions in nearly every unit of the Department. Sergeant Haig was an experienced and respected leader and he will be missed.

Other changes to the Patrol Division in 2018 included Officer David Kirchenbauer who resigned his position with the Plymouth Township Police Department in the month of March. With this resignation, the Department hired Jeffrey McMahon who joined Plymouth Township after working for several years with the Philadelphia Police Department. In January, Officers Kozak and DeSantis were transferred from the Patrol Division to the Highway Patrol Unit. Finally, Officer Ponzek was transferred from the Patrol Division to the Detective Division in January as well.

At the end of 2018, the Patrol / Highway Division was made up of thirty three (33) sworn Officers including Sergeants, with twenty eight (28) being assigned to Patrol and five (5) being assigned to the Highway Patrol Unit. With four Officers and one Sergeant in Highway, this unit has returned to its more traditional staffing level. Two of the officers are already certified and experienced accident investigators, while the two newer officers in the unit attended numerous courses in 2018 to become certified as well.

Officers assigned to Patrol typically work twelve hour shifts and rotate between a day shift and a night shift every two weeks. Officers in the Highway Patrol Unit tend to work rotating shifts during the hours when there is more roadway congestion and a greater number of accidents. The Patrol Division works closely with both the Highway Patrol Unit and the Detective Division. In Plymouth Township, the Patrol Officer conducts a preliminary investigation and very often handles a call from start to finish. This includes many arrests and any subsequent court proceedings. Nearly every call, every serious accident and every significant incident that is eventually transferred to the Investigative Unit, begins with a response from Patrol. Many of these calls for service are unstable in nature, they may be chaotic, and many times there are legitimate safety concerns upon the officer’s initial arrival. Once a scene has been stabilized and information has been gathered, it may warrant the expertise of a specialized unit for a more detailed investigation.

Just as important as the incidents described above, the Patrol Division is highly visible and in constant contact with the citizens of Plymouth Township. Sometimes it is the more common duties such as responding to an alarm at a home or business, helping a disabled motorist, giving directions, walking a foot beat or interacting with children that has the most impact on the
Department’s perception by our community. The men and women of the Patrol Division literally
do these types of services thousands of times each year, in all kinds of weather, and at times, in
unfavorable conditions.

Officers of the Patrol Division are dedicated to protecting the citizens of Plymouth Township and
are committed to preserving the quality of life for our residents, business owners and visitors.
In 2018, the Highway Patrol Unit was comprised of Sergeant Bob Heger and Officers Jeff Conrad, Joe Epright, Shaun Kozak and Gerry DeSantis. On June 11, 2018, Officer Epright was recognized by Plymouth Township Council as the Plymouth Township Police Department’s Officer of the Year. The award is very well deserved.

Members of the Highway Patrol Unit are trained in accident investigation, vehicle safety violations and the mitigation of traffic problems. Officers Kozak and DeSantis completed more than 4 weeks of advanced accident investigation training in 2018.

In 2018, Officers responded to and investigated 1123 traffic accidents. There were 69 vehicle crashes that involved injuries to 104 people. There was one fatal crash in 2018 involving a single car that struck a large tree.

There were 1,027 motor vehicle complaints handled in 2018. These complaints included but were not limited to issues involving parking, disabled vehicles and reckless drivers. The Highway Patrol Unit processed 182 abandoned vehicles during 2018. These are vehicles that were abandoned on both public streets and private property. Many of these vehicles created parking problems and hazardous conditions for motorists.

In addition to responding to citizen’s calls for service, the Highway Patrol Unit was also proactive in addressing criminal and traffic related problems. Highway Patrol Officers conducted numerous traffic studies in 2018 based on officers’ observations as well as complaints from Township residents. These studies allow for a more effective utilization of manpower and resources. Upon receipt of a traffic complaint, a determination is made as to how the complaint will be investigated and what course of action will be taken to address a problem once it is confirmed. In most cases where a complaint of speeding is alleged, a survey is conducted utilizing a device that surreptitiously collects data including the volume of vehicles and the speeds that those vehicles are traveling during specific times. When a complaint of speed is found to be valid, Highway Patrol Officers deploy portable speed signboards that use radar to capture and display a driver’s speed. The devices signal a warning if the vehicle is in violation of the speed limit and often correct a violator’s behavior. If it does not, active enforcement measures are often the next step. In 2018, three permanent solar powered speed timing devices were installed, one on Elm Street at Light Street and two on Belvoir Road. There are now 5 permanent speed signboard displays throughout the Township.

Police motorcycles are an integral part of the Highway Patrol Unit. They are primarily used for traffic enforcement as well as for routine patrol assignments. The motorcycle allows officers to maneuver through heavy traffic when responding to crash scenes and other emergency calls. Officers can therefore get to victims to render first aid and stabilize scenes more quickly, thereby enabling officers to open roadways more effectively. The motorcycles also enable our department to provide escorts and to control traffic for large funerals, dignitaries, parades and other special events. In 2018, the
Motorcycle Unit was involved in numerous details including providing an escort for “Law Enforcement United” while law enforcement officers and survivors of fallen officers rode their bicycles to Washington DC for National Police week.

The Plymouth Township Police Department’s K-9 Unit has now been in service for over twenty seven (27) years, providing protection to the residents of Plymouth Township virtually around the clock. This dedicated unit continues to train hard and work hard, setting the standard in this region as one of the premiere K-9 units. The K-9 unit is widely respected, not only for the officers and their K-9 partners’ dedication, but also for the Township’s commitment to training, equipment and our facilities. This commitment and dedication has been demonstrated time after time over the years.

The Plymouth Township Police Department’s K-9 Unit consists of four handlers and their K-9 partners. All four are certified to work patrol duties. Two are also cross trained in narcotic detection with the remaining two being cross trained in explosive detection. Each team trains two- 12 hour shifts a month in order to remain proficient at their specialty.

The two teams trained in Patrol / Narcotic detection are Officer Wells and K-9 Vilko; along with Officer Severson and K-9 Eros. The two teams trained in Patrol / Explosive detection are Officer Jon Monaghan and K-9 Fox along with Officer Watts and K-9 Major.

Plymouth Township Police K-9 Units are used on a regular and routine basis within the Township. They were also called upon for assistance thirty times by outside agencies in 2018. Our K-9 teams have been utilized in the tracking of suspects for homicides, robberies, sexual assaults, burglaries, stolen vehicles and mentally ill individuals. Additionally, they are requested by area schools for narcotics detection, they track for lost children and the elderly, and they often search homes and businesses keeping officers safer.

In 2018, Plymouth Township’s Explosive K-9 Teams were called to assist on bomb threats at a school in Lower Moreland and an office complex in Bridgeport Borough. On December 13, 2018 bomb threats were called in throughout the Nation, the Commonwealth of Pennsylvania and Montgomery County. Plymouth Township also received two bomb threats to businesses located in our jurisdiction. Explosive K-9 Teams were involved in the clearing of several businesses and ensuring the safety of the overall community.

On February 24, 2018, Conshohocken Police requested the assistance of the Plymouth Township K-9 unit in reference to a felony burglary suspect who had hidden himself in an attic crawl space and refused to communicate and/or surrender. K-9 Officer Monaghan placed K-9 Fox into the attic resulting in an arrest with no injury to the Officers or the K-9. This situation would have been far more difficult and dangerous without the use of the K-9 unit.

Some additional K-9 responses in 2018 include: Assisting US Postal Authorities in locating narcotics being distributed in a nationwide investigation and assisting with K-9 tracks to successfully locate ffeing suspects from the Pennsylvania State Police and West Conshohocken. Plymouth Township Police K-9 units also assisted at numerous burglaries and narcotic searches in both Plymouth Township and surrounding municipalities.
Our K-9 teams remain a popular attraction at community events both within Plymouth Township and surrounding municipalities. They continue to bring positive recognition to Plymouth Township, not just the police department. Plymouth Township Police K-9 units performed several demonstrations in 2018 at various community events within and around Plymouth Township, mainly to school aged children.

In this 2018 yearly report, and all that follow, let us not forget the events of September 13, 2012; when K-9 Officer Brad Fox #178 was shot and killed in the line of duty while pursuing a fleeing felon along with his K-9 partner Nick. K-9 Nick was also shot and wounded, but thankfully survived.

Officer Scott Severson / K-9 Eros
Officer John Monaghan / K-9 Fox
Officer Michael Watts / K-9 Major
The Plymouth Township Police Detective Division consists of three separate units, the Criminal Investigations Unit, the Special Investigations Unit and the Community Policing Unit. These separate units function independently and collaborate with each other as a single cohesive unit, as well as with all of the other divisions of the police department. The members of the Detective Division are diligent, dedicated, highly trained, skilled and motivated. All of these qualities are vital in order to bring the investigations of criminal activity in Plymouth Township to a positive resolution. In 2018, the Detective Division investigated a plethora of cases that mandated our detectives to use the gamut of their investigative training, talents and instincts.

In 2018, there were some changes within the Detective Division. In January, Officer Eric Ponzek commenced an assignment to the Special Investigation Unit (SIU). Detective Christopher Schwartz remained in his special assignment with the Montgomery County District Attorney’s Office Detective Bureau Narcotics Enforcement Team. In this assignment, he served all of the citizens of Montgomery County as well as Plymouth Township, handling a majority of cases involving drug deliveries resulting in death. In November, Detective Anthony Costello transferred to the Patrol Division, in anticipation/advance of his promotion to Patrol Sergeant on January 14, 2019. With the transfer/promotion of Sgt. Costello, Officer Ponzek then transferred from the SIU, to the position of Detective.

The Detective Division had six officers assigned to it in 2018, and is supervised by Detective Sergeant Thomas Longo. The other members assigned to the division are Detective Jeffrey McGee Sr., Detective Joseph LaPenta III, and Detective Andrew Moretti, Detective Eric Ponzek, Juvenile Detective Michael Capperella and Detective Christopher Schwartz (MCDBNET). In 2018, Detective LaPenta celebrated 20 years with the police department.

The Detective Division investigated 650 cases in 2018. Detectives were able to clear 85% (551) of the cases assigned. Of these cases cleared, 213 cases were cleared by arrest, and 338 were cleared exceptionally. The 213 cases cleared by arrest resulted in 257 criminal arrests by Detectives in 2018.

Some notable cases investigated and solved in 2018:

**Sexual Offenses and Crimes against Persons**

- Arrest of one adult suspect for the rape of two juveniles.
- Arrest of one adult suspect for the sexual assault of a minor
- Arrest of two suspects for threats against a school
- Arrest of one suspect after an accidental firearm discharge in a party room at the GPCC
- Arrest of one suspect after a stabbing during a domestic
**Crimes Against Property**

- Arrest of one suspect for serial vehicle thefts – trailers, skid steers, etc.
- Arrest of one suspect for 5 burglaries
- Arrest of one suspect for 3 commercial burglaries
- Arrest of one suspect for passing counterfeit bills – 4 cases
- Arrest of a serial retail theft suspect that spanned several counties

**Fraud**

- Arrest of an investment broker for $100K fraud of a private citizen
- Arrest of a suspect for a straw firearm purchase – “Brad Fox Law”

**Drugs**

- Initiated the wiretap case that resulted in the arrest and prosecution of multiple defendants who operated a major, multi-county and state heroin ring.
- Arrests of one medical doctor for operating a “pill mill”, that operated a wide-ranging prescription fraud ring.

**Miscellaneous**

- Arrest of a female prostitute for solicitation – Russian national – break up (locally) of prostitution ring, which was operating out of hotels within Plymouth Township.

Immeasurable challenges faced the Detective Division in 2018, as their cases involved many investigational hurdles, and the Detectives were required to use the full breadth and width of their investigative knowledge and techniques. In order to bring investigations to a positive resolution the Detective Division used all of the resources available to them. The Detective Division eagerly undertook these investigations with the diligence, determination and professionalism that have become the trademark of the Plymouth Township Police Detective Division.

Plymouth Township Police Department
Community Policing Unit

The Plymouth Township Police Department’s Community Policing Unit, or CPU, was formed in 2001 in response to the growing needs of the Plymouth Township Community. The primary goal is to establish a collaborative effort between the police and the community (school, citizens, groups and businesses) in which we work together to identify and solve community problems. The Community Policing Unit consists of Officer Mark Lacy. Lieutenant Karen Mabry supervises the Unit.

The Community Policing Unit has conducted many programs throughout the year for our residents, school children, and businesses. These programs include: Officer Friendly and Emergency 911 for Pre-School Children, Anti-Alcohol and Anti-Drug Classes, Anti-Bullying and Anti-Cyber-Bullying Programs, Internet Safety Programs, Identity Theft, Senior Citizen Fraud Programs and Active Shooter/Business Safety Program. The CPU assisted township residents and businesses with employment fingerprinting and various personal safety seminars. The Community Policing Unit also provides home security surveys to victims of burglaries, as well as any other resident who may request one.

The Community Policing Unit participated in several community events held within the township. Events like Coffee with a Cop, Vo-Tech School Community Day, and Superhero Day at the Plymouth Meeting Mall, Plymouth Township Fishing Derby, and others. In 2018, the Plymouth Township Community Policing Unit partnered with the Upper Merion Township Police Department to host our first joint National Night Out Program at the Upper Merion Target Store. This event is an opportunity for citizens to learn about various services offered to them through different organizations and agencies. This year we had over two dozen county and local agencies in attendance, as well as many vehicle displays and live demonstrations.

Two new programs were introduced during the 2018 year. The first was the “Fall into Safety Food Drive and Safety Expo”. The Community Policing Unit partnered with Lowe’s, Giant and the Metroplex to host a one-day Food Drive and Safety Expo at Lowe’s to benefit the Colonial Neighborhood Council Food Pantry. During the event, attendees were treated to safety demonstrations by Plymouth Ambulance, Plymouth Fire Company and Harmonville Fire Company. Plymouth Officers were on hand to provide safety information to children and adults in attendance, including information on identity theft, the hazards of underage drinking, personal safety and bike safety. Children in attendance received bicycle safety helmets and other prizes. Through the generosity of those in attendance, along with support from Holy Rosary School and Colonial Middle School, we were able to collect over 5 tons of food that was donated to the Colonial Neighborhood Council Food Pantry.

The second new program introduced during 2018 was “Operation Golden Ticket”. In 2018, the Plymouth Township Police Association sponsored Halloween candy for each student at Plymouth Elementary and Ridge Park Elementary. Each student was provided the candy in an orange Halloween bag with tips on how to have a safe and fun Halloween. One bag at each school contained a “Golden Ticket”, represented by our K-9 Unit patch. The winner from each school was then treated to a visit from our officers, followed by a police escort to school and
morning snacks for their entire class, provided by the Plymouth Township Police Association. The children and the officers had a great time with this event. We also received a tremendous amount of positive feedback from members of the community.

Begun in 1998 and conducted in June of each year, our C.O.P. Camp program continues to be one of our most anticipated and well-received programs each year. Through the program, children ranging in age from nine to eleven, attend a week-long camp at our agency. During the week, each child participates in hands-on activities that simulate incidents encountered by Law Enforcement Officers. They learn about accident investigation, crime scene processing, physical fitness, vehicle stops, building searches and more. In addition, our partners from Harmonville Fire Company, Plymouth Fire Company and Plymouth Ambulance provide instruction on fire safety and first aid.

New in 2018, our Campers participated in an Escape Room style program. Each day during the camp, teams of campers would use knowledge and skills learned during that day to unlock clues to help solve a crime. These clues led to the identification of their suspect in the theft of Grandma’s Chocolate Chip Cookie Recipe. The Campers then obtained an “arrest warrant” from District Justice Francis Bernhardt. Upon receipt of the “arrest warrant”, the Campers identified the suspect’s location, devised an arrest plan and executed the arrest plan. The suspect was successfully taken into custody and forced to “Enter the Cell”.

The Community Policing Unit organizes and conducts holiday food and gift drives for Plymouth Township families in need. In addition to all members of the police department donating money to this effort, the Plymouth Township Police Association, in conjunction with our partners at Giant Food Store, Weis Market, Vist/Tompkins Bank and Target, also provided the needed funds and resources necessary to make these programs a success.

During the Christmas season, the Community Policing Unit again took a lead role in the 23rd Annual Lt. Patty Simons – Law Enforcement Food/Toy Drive. This event benefits the Montgomery County Salvation Army, Catholic Social services, Eagleville Elementary Backpack Program, The Patrician Society, the Mattie N. Dixon Community Cupboard and other charitable organizations. Food and toys were donated from area businesses, schools and residents. The CPU took part in the food drive parade and assisted in the unloading of over seven tons of food and toys for the needy. The CPU also participated in the “Holiday Meals for Fallen Hero’s” deliveries for Easter, Thanksgiving and Christmas Holidays.

Another function of the Community Policing Unit is to obtain and manage grants to fund several programs for the department. In 2018, the police department obtained over $32,000.00 in grant monies.

The Community Policing Unit continues to promote the Plymouth Township Police Department in a positive way to our residents, school children, and businesses. In doing so the Community Policing Unit continues to strengthen our community relationships.

The Montgomery County Special Weapons and Tactics team (MSWAT-CR) is a multi-jurisdictional tactical team comprised of officers from fourteen (14) different police departments in the central region of Montgomery County. The team is also responsible for SWAT coverage for an additional eleven (11) jurisdictions. The MSWAT-CR team is currently responsible for covering over 176 square miles with a population of over 317,000 people.

This team is staffed, trained and equipped to handle high risk situations that are beyond the capabilities of traditional law enforcement. MSWAT-CR is available for response 24/7, 365 days a year. MSWAT-CR members must meet rigorous entry standards to be selected and they must continue to maintain these high standards in order to remain active on the team. Members of MSWAT-CR must pass a physical fitness test twice a year, bi-annual firearms qualifications as well as pass a monthly firearms qualification. In addition to sixteen (16) hours of monthly training, MSWAT-CR members attend an annual three (3) day training course. In the past, MSWAT-CR members have attended these trainings at military installations located at Fort Dix and the Fort Indian Town Gap. The Plymouth Township Police Department continues to staff this regional team with a dedicated and motivated contingent of officers.

In 2018, the Plymouth Township Police Department had four (4) officers assigned to the MSWAT-CR Team. Officer Ponzek and Officer Ransom were assigned to the MSWAT-CR Entry Team while Detective Phillips was assigned to the Sniper Team, as the Element Leader. Officer Holly Donohue was also added to the team as a Hostage / Crisis Negotiator after successfully interviewing and training for the position.

- **MSWAT-CR responded to eight (8) incidents in 2018:**

- Most incidents involved suspected armed and/or barricaded subjects. MSWAT-CR was able to successfully resolve all of these incidents without the loss of life. Less-lethal tactics and weapons, combined with crisis negotiations led to these subjects being taken into custody, not only without any loss of life, but also without any serious injury. One incident was a high-risk arrest warrant, one involved the clearing of a house at a suspicious death scene, and another incident was the result of an armed suicidal subject in an open air environment. The team also assisted The MSWAT-Western Region team.
with an explosive breach on a barricaded drug house in which the occupants were known to be armed.

- The team conducted monthly training exercises (16 hours per month) and held an additional 3 day training exercise at the Joint Base Maguire-Dix-Lakehurst in New Jersey in 2018.
The Montgomery County Major Incident Response Team (MIRT) is comprised of a contingent of officers formed from police departments throughout Montgomery County. The team is jointly funded by the member departments, as well as the Department of Homeland Security. MIRT was developed to better handle large events, civil disturbances, natural/manmade disasters, and chemical/radiological/biological terrorist incidents.

The Plymouth Township Police Department has dedicated four (4) officers to MIRT. These officers have assumed the additional responsibilities that come with this county-wide team, above and beyond their normal duties as Plymouth Township Police Officers. All officers on MIRT are trained by Homeland Security for Field Force Operations (civil disturbances). They are also trained on how to respond to a chemical, radiological, and/or biological terrorist attack. As a result, all MIRT members have been issued special equipment for dealing with these types of incidents.

Many events that have occurred throughout the country have demonstrated the need for a well-trained, well equipped and disciplined field force capable of dealing with large scale protests, civil disturbances and criminal behavior. Some members on MIRT are also crossed trained as members of the Bike Response Team, which is a smaller field force unit that can also respond to similar types of incidents.

During 2018, MIRT officers received training from the Montgomery County Sheriff’s Department and the Plymouth Ambulance Paramedics. The training was in the following areas: Legal Updates, Local Intelligence / Protest Group Information and Tactical Medicine.

MIRT responded to the following incidents in 2018:

- February 4, 2018 – Eagles Super Bowl Event – Various locations in Montgomery County
- April 2, 2018 - April 9, 2028 – Bill Cosby Trial – Montgomery County Courthouse, Norristown, PA.
- April 3, 2018 – Villanova University NCAA Finals – Villanova University, Radnor, PA.
- April 23, 2018 – April 27, 2018 – Bill Cosby Trial Verdict – Montgomery County Courthouse, Norristown, PA.
- May 17, 2018 – Tomi Lahren Speaking Event – Keswick Theatre, Glenside, PA.

The Records Division of the Plymouth Township Police Department manages information for all calls for police service and ensures they are properly documented in the Department’s database. The Records Division is staffed by Administrative Supervisor Sabrina Evangelist and Evidence Custodian Jennifer Brooke.

The Records Division is an essential part of the Police Department and works extensively with federal, state and local law enforcement agencies. The many duties of the Records Division include the preparation of criminal cases for submission to the Montgomery County District Attorney’s Office, providing arrest information to various probation departments, children and youth agencies, and victim services. The Records Division also provides reports to victims and can be delivered through the mail or in person during normal business hours, Monday through Friday from 8:00 a.m. to 4:00 p.m. Other services the Records Division provides to the residents and visitors of Plymouth Township include preparing a “Letter of Good Conduct” or similar record checks for individuals seeking certain types of employment, students traveling abroad and adults who wish to adopt a child.

As the evidence custodian (EC), Jennifer Brooke is responsible for controlling and maintaining all evidence and/or recovered property stored in the Department’s evidence room. EC Brooke works directly with the officers to ensure the chain of custody and storage of evidence; she is also responsible for overseeing the destruction of evidence as allowed by the case to include the destruction of weapons (non-firearms) and firearms.
The Plymouth Township Police Department Communications Center is staffed 24 hours a day, 365 days a year and provides personal assistance to the residents, businesses and visitors to Plymouth Township who may call or come in for emergency and non-emergency services.

The Communications Center is headed by the Administrative Supervisor, Sabrina Evangelist. It is staffed with full-time Dispatchers Karen Bowman, Lacey Smith, Andrew Thomas and Laura Baldassari. In addition, part-time Dispatchers Eileen Blattner, Annamaria Mastrocola, Richard Tarozzi, Daniel Fox, Mandy Redman, Patricia Karaffa, Caitlyn Bonner, Jessica Tomaselli, Craig Michelbacher, and Michelle Gillman assist with the staffing of the Communication Center.

All of our Dispatchers come with many years of experience in their field; they assist the officers with records checks on vehicles and suspects, as well as entering missing persons, wanted subjects, stolen vehicles and property into the National Crime Information Center (NCIC). The Communication Center is outfitted with six large screen monitors that view multiple cameras throughout the Township at various intersections. In addition, our Dispatchers monitor over forty in-house cameras that consist of all areas of the Police Department and Township building to include our secure prisoner facility. Dispatchers ensure the safety of our prisoners through constant video and audible monitoring and alert officers in the event of a problem. All personnel in the Communications Center assist with entering reports and traffic citations into our records management system, fulfill requests from insurance companies for accident reports, and assist the Records Division when needed.
Plymouth Township
Fire Marshal’s Office

The Plymouth Township Fire Marshal’s Office is responsible for the investigation of all fires, the enforcement of fire codes for existing structures, and the promotion of fire safety through educational programs. The Fire Marshal’s Office is staffed by Fire Marshal Andrew Mount, part-time Deputies Michael Matusheski and James Wallace, who assist FM Mount with fire investigations and fire lane enforcement. Dana Lee was hired in 2018 to fill the open part-time position of Fire Inspector and has quickly been instrumental in conducting fire inspections and assisting in the organization of the fire inspection program. The Fire Marshal reports directly to the Plymouth Township Public Safety Director, Chief Joseph F. Lawrence.

The Fire Marshal’s Office responded to two hundred twenty-seven (227) incidents and investigated thirty-one (31) fires in 2018. One (1) fire was determined to be arson and was referred to the Detectives for further investigation. There were no fires resulting in the loss of life or serious injury. There were five (5) fires involving major property loss in Plymouth Township during 2018. The first occurred on March 21st at a twin dwelling, 539 Markel Road. The second occurred on April 24th at 200 Lee Drive, the Homewood Suites Hotel. The third occurred on August 16th in the rear of 1100 E. Ridge Pike involving a commercial vehicle. The fourth occurred on August 24th to a roof mounted solar system at the Ikea Store, 400 Alan Wood Road; and the last fire occurred on October 31st at 1230 E. Ridge Pike, at the Carfagno Automobile Dealership.

In addition to fire investigations, the Fire Marshal’s Office is tasked with the coordination of an emergency management system in the event of a catastrophe. Fire Marshal Andrew Mount has been designated as Plymouth Township’s Emergency Management Coordinator, and Plymouth Township Police Lieutenant Karen Mabry is the Deputy Coordinator. There were no emergencies requiring the activation of the emergency plan in 2018.

The Fire Marshal’s Office works closely with the Police Department, both Township fire companies, and Plymouth Community Ambulance and is committed to the well-being of our residents. We will continue to keep our community safe through inspections, investigations, fire prevention programs, and the promotion of fire safety education to our Township’s residents.
The Fire Police of the Harmonville Fire Company falls under the jurisdiction of the Chief of Police. They have continued to prove that they are a vital and necessary asset to the operation of the Police Department. These dedicated volunteers provide effective assistance to the police at traffic accidents, road closures, fire calls and other serious incidents that require well-trained personnel. They are also an important part of community events such as monument dedications, parades, charity runs and/or races and Plymouth Township Day; to name a few.

Frank Solomon is the Officer In Charge of this dedicated group of volunteers. Captain Solomon receives valuable assistance from Lieutenant Tom Moravec as well as Sergeants Ray Naylor and Dave Colucci. The following personnel make up the volunteers of the Harmonville Fire Police: Jennifer McGuigan, Barbara Spilove, Mary Jane Rodziak, Paul Wolfe, George McKinney, Dennis Gravinese Sr., Dennis Gravinese Jr., Julianna Naylor and Albert Cincelli.

In the 2018 Annual Report, the Harmonville Fire Police, as well as the Plymouth Township Police Department, would like to make a special tribute to the services and dedication provided by Zip Rota. Zip Rota had served as the Fire Police Captain of the Harmonville Fire Company for nearly 25 years. In 2018, he passed the leadership of this unit on to the next generation of community volunteers but he remains an active member who stills serves this Township. Zip Rota has been a major part of the overall Plymouth Township safety system for over a quarter of a century and his efforts are greatly appreciated.

In 2018, the Harmonville Fire Police responded to a total of 731 calls for service; including Alarms, Alarms Assisting Police and Special Service Alarms Assisting Police. This is an increase of 85 over 2017. The total number of Fire Police Officers in service for these calls was 636 officers for over 914 hours of volunteer service. All of these figures are significant increases over 2017.

The Harmonville Fire Police now track the total number of officers and officer hours in service. The unit no longer conducts calculations based on individual services, but as a total instead. The Harmonville Fire Police did assist the Plymouth Township Police 37 times in 2018.

Every hour that the Harmonville Fire Police volunteer to the citizens of Plymouth Township, and other jurisdictions within Montgomery County, is an hour that enables police officers to be available for other emergency calls and services.
Harmonville Fire Police Report

Alarms and Special Service: 731
Officers in Service: 636
Time in Service: 914 Hours
Assisting Police Department: 37
Plymouth Fire Police
Annual Report

The volunteers that make up the Fire Police of the Plymouth Fire Company continue to provide an invaluable service to the Plymouth Township Police Department as well as the entire Plymouth Township community. These professional, dedicated and well trained volunteers donate their time and service in order to allow the sworn officers to be available to handle additional calls for service. The Plymouth Fire Police respond to serious vehicle accidents, road closures, fire calls and numerous other serious incidents and special services. Their assistance is an invaluable part of the overall public safety system in place for the citizens of Plymouth Township.

The Plymouth Fire Police, who fall under the command of the Chief of Police, are led by Captain Adam Heffelfinger. In 2018, Captain Heffelfinger received valuable assistance from Lieutenant Michael Petriga.

This past year has once again been a busy year for the Plymouth Fire Police. The unit is constantly responding to calls for service and attempting to recruit new officers, while always making training and equipment a top priority. The recruiting effort in 2018 has paid off as the unit anticipates increased membership in the upcoming year.

The Plymouth Fire Police responded to a total of 236 calls for service in 2018, a slight increase over the previous year. The Fire Police recorded 296 Fire Police Officers in service for over 133 total hours. These figures are all very similar to the responses in 2017. The Plymouth Fire Police also responded to specifically assist the police on 10 service calls with 10 Fire Police Officers for over 16 hours.

Plymouth Township Police Department
Training

The Plymouth Township Police Department continues to strive to be the best in all aspects of law enforcement, including training. In 2018 the Department had, as the state mandates, all of our officers recertified under the requirements set forth by the Municipal Police Officers Education and Training Commission. Officers also received recertification training for handcuffing, baton tactics, Taser and hazardous materials awareness for first responders. Numerous officers were sent to training seminars covering topics from leadership skills, firearms training and motorcycle operations.

Plymouth Township Police Department continued to use the online training program Policeoneacademy.com. This is an online database with hundreds of online courses available to the department. Policeoneacademy.com also allows the department to create their own courses and to share courses with other departments who subscribe to the system. Many of these programs are approved by MPOETC to count for continuing education credits. This system enables the department to administer monthly training to officers and dispatchers without affecting the department’s readiness and street coverage. This ensures the department is administering a uniform and consistent program to each officer along with the appropriate documentation for training.

Officers completed required firearms qualifications with the pistol, rifle and shotgun. Officers also conducted lowlight firearms training, long range shooting, shooting on the move and basic fundamental manipulation drills to name a few of the tactics covered during the year.

Plymouth Township Police conducted department wide active shooter response training during 2018. This course consisted of classroom and scenario based training to prepare officers for responding to active shooter events. We also invited outside agencies to participate in this twelve-hour course. Plymouth Township trained sixty officers from six different law enforcement agencies throughout the summer and fall of 2018.

Plymouth Township Police Department continued to train civilians in dealing with active threats of violence. This is part of our ongoing commitment to prepare our community to deal with current trends in our society. CPU Officer Lacy and Detective Phillips trained hundreds of civilians in the response to an active shooter threat during 2018. This includes the staff at Holy Rosary Regional Catholic School, Tot time Day Care and Boscov’s department store to name a few. We also returned to the Greater Plymouth Community Center to train new township employees and conducted table top exercises with department heads as part of the Township’s commitment to prepare for any contingency.

Training requires a proactive approach to keep up with technology, techniques and current trends. Moving forward in 2019, the department will continue to train our officers and staff with training that is recent, relevant and realistic. These are the standards to ensure the department is ready to deal with an ever changing social environment and to keep our community safe.
